

# INSURANCE FOR SEGWAY BUSINESS

Innovative Insurance Package Specifically for  
Segways Used in Any Business

- Insuring Commercial Segways for over 5-years
- "A" Rated Insurance Company
- \$1 Million Liability or More, with NO Deductible
- Fire & Theft Insurance for Segways & Accessories
- Available in all States, including Alaska & Hawaii

This policy protects the business owner in event of injury to the public, or damage to property of others by the Segway. The Segways themselves are insured for fire, theft, vandalism and other specified perils. Premium is based mainly on estimated gross annual income from Segways, and the replacement cost of all units the business owns or rents.

We insure Segways used by the following and many more businesses:

- Segway Dealers
- Rental Companies
- Police & Security Companies
- Warehouse Facilities
- Tour Companies
- Advertising
- Museums
- Hotels

Lora VanDixhorn, President of ISU Insurance Services of Westlake and highly respected insurance broker for many industries, negotiated this competitive insurance policy for Segway rentals, tours, and dealers throughout the U.S. Her first Segway client was a Florida tour company, and she has become well-known for her innovative approach. She was an invited speaker at the 2006 Global Segway Convention in Boston, and has insured commercially used Segways for over 7-years. Her insurance career spans more than 30-years for Comprehensive Liability, Property, Worker Compensation, Group Health, and other exposures for a variety of industries.
